Book Fair & Bake Sale

Message from Mrs. Knodel

Thank you Greendale Community for once again supporting our Scholastic Book Fair and bake sale. It is such a day of excitement for our kids, and an amazing, important fundraiser for our library. In particular, a huge thank you to all of the parent volunteers who made it happen - we couldn't have done it without you! We were able to bring in just over \$1,100 which goes towards books for our library and reading prizes for students. Thank you so much!

And from the PAC, they raised just over \$400 for the library!

Thank you, Greendale!

INCLEMENT WEATHER SCHOOL CLOSURE GUIDELINES

Information for Parents and Students

Inclement weather conditions such as freezing rain, significant snowfall or high wind can occur during the fall and winter months. In such conditions, decisions on the opening or closure of school district facilities are made by the Superintendent of Schools in consultation with management and supervisory staff who have checked first-hand on the driving conditions, walking/sidewalk conditions, and general condition of buildings and accessibility to sites. *For more details on how this is done, [click here](#).*

While service to students and parents is a priority and schools will be kept open as much as is reasonably possible, student and staff safety is the primary consideration.

In the event of extreme weather conditions, parents are urged to check the **School District website** www.sd33.bc.ca or tune into radio stations **STAR FM (98.3 FM)** or **JR COUNTRY (89.5 FM)**, to receive up-to-date information on school closures and information on bussing. Reports will start after 6:00 a.m. and will be repeated often. There is no need to call your school, the School District Office or the radio station.

When there is extreme weather and schools remain open, student attendance is the parent/guardians' decision.

A **Transportation Snow Plan** is in place for students who rely on travel by school bus and live in higher elevations such as Chilliwack Mountain, Little Mountain, Majuba Hill, Ryder Lake and some areas of Columbia Valley and the Eastern Hillside. An announcement will be made should travel in these areas become challenging due to slippery road conditions.

All inclement weather announcements will be posted on the District website www.sd33.bc.ca
