

DECEMBER READING BINGO

about snow	to someone younger	a book based on a TV show or movie	on a Monday	while my parent or guardian was cooking
with a stuffed animal	in my favourite seat	in my pajamas	while drinking cocoa (National Cocoa Day is December 13th)	on a Thursday
while sitting next to something warm	on a Tuesday		while festive music was playing	aloud to a friend
while wearing cozy socks or slippers	about hockey	on a Wednesday	while eating a sweet treat	about a holiday my family doesn't celebrate
on a Friday	next to someone I love	near a window	a true story	in my bed
