Help Ashton Fight Cancer and Support His Family

Ashton, a bright and beloved Grade 1 student at Greendale Elementary, has spent the last 7 months in the hospital battling cancer. His fight has been long and difficult, and he has had to miss his entire Grade 1 school year so far. Despite the challenges, Ashton remains resilient and full of heart.

To support Ashton and his family during this incredibly difficult time, Greendale Elementary has partnered with West Coast Seeds for a special fundraiser. Ashton's mom, a local artist and small flower farmer, works from home and his dad is on leave from work so they can stay by his side while managing the financial strain of ongoing medical expenses & care for their other 3 children. Their family's love for gardening and nature has been a source of hope and healing, and this fundraiser reflects that spirit of growth and renewal.

All proceeds from this fundraiser will go toward Ashton's medical expenses and helping his family maintain their small flower farm, a vital source of strength and livelihood. By contributing, you're helping Ashton on his journey to recovery.

Let's come together to show Ashton and his family that they're not alone in this fight. Every donation makes a meaningful impact.

Fundraiser starts on January 31-February 16. [Link to follow.](#)

ONE SCHOOL ONE BOOK

We are SO excited to announce that this year we are reading as a school community the classic "Charlotte's Web".

Each family will have received an envelope on Friday with a copy of the book, reading calendar, and a special note from Mrs. Knodel.

Visit the school website to view the reading calendar and where you can listen to the read-a-louds of each chapter! [CLICK HERE](#)

INCLEMENT WEATHER SCHOOL CLOSURE GUIDELINES

Information for Parents and Students

Inclement weather conditions such as freezing rain, significant snowfall or high wind can occur during the fall and winter months. In such conditions, decisions on the opening or closure of school district facilities are made by the Superintendent of Schools in consultation with management and supervisory staff who have checked first-hand on the driving conditions, walking/sidewalk conditions, and general condition of buildings and accessibility to sites. [For more details on how this is done, click here.](#)

While service to students and parents is a priority and schools will be kept open as much as is reasonably possible, student and staff safety is the primary consideration.

In the event of extreme weather conditions, parents are urged to check the **School District website** www.sd33.bc.ca or tune into radio stations **STAR FM (98.3 FM)** or **JR COUNTRY (89.5 FM)**, to receive up-to-date information on school closures and information on bussing. Reports will start after 6:00 a.m. and will be repeated often. There is no need to call your school, the School District Office or the radio station.

When there is extreme weather and schools remain open, student attendance is the parent/guardians' decision.

A **Transportation Snow Plan** is in place for students who rely on travel by school bus and live in **higher elevations** such as Chilliwack Mountain, Little Mountain, Majuba Hill, Ryder Lake and some areas of Columbia Valley and the Eastern Hillside. An announcement will be made should travel in these areas become challenging due to slippery road conditions.

All inclement weather announcements will be posted on the District website www.sd33.bc.ca
