Help Ashton Fight Cancer and Support His Family

SUPPORT OUR FUNDRAISER
with West Coast Seeds

January 31-February 16

Ashton, a bright and beloved Grade 1 student at Greendale Elementary, has spent the last 7 months in the hospital battling cancer. His fight has been long and difficult, and he has had to miss his entire Grade 1 school year so far. Despite the challenges, Ashton remains resilient and full of heart. Greendale Elementary has partnered with West Coast Seeds for a special fundraiser.

All proceeds from this fundraiser will go toward Ashton's medical expenses and helping his family maintain their small flower farm, a vital source of strength and livelihood. By contributing, you're helping Ashton on his journey to recovery.

Let's come together to show Ashton and his family that they're not alone in this fight. Every donation makes a meaningful impact.

INCLEMENT WEATHER SCHOOL CLOSURE GUIDELINES

Information for Parents and Students

Inclement weather conditions such as freezing rain, significant snowfall or high wind can occur during the fall and winter months. In such conditions, decisions on the opening or closure of school district facilities are made by the Superintendent of Schools in consultation with management and supervisory staff who have checked first-hand on the driving conditions, walking/sidewalk conditions, and general condition of buildings and accessibility to sites. *For more details on how this is done, [click here](#).*

While service to students and parents is a priority and schools will be kept open as much as is reasonably possible, student and staff safety is the primary consideration.

In the event of extreme weather conditions, parents are urged to check the **School District website www.sd33.bc.ca** or tune into radio stations **STAR FM (98.3 FM)** or **JR COUNTRY (89.5 FM)**, to receive up-to-date information on school closures and information on bussing. Reports will start after 6:00 a.m. and will be repeated often. There is no need to call your school, the School District Office or the radio station.

When there is extreme weather and schools remain open, student attendance is the parent/guardians' decision.

A **Transportation Snow Plan** is in place for students who rely on travel by school bus and live in **higher elevations** such as Chilliwack Mountain, Little Mountain, Majuba Hill, Ryder Lake and some areas of Columbia Valley and the Eastern Hillides. An announcement will be made should travel in these areas become challenging due to slippery road conditions.

All inclement weather announcements will be posted on the District website www.sd33.bc.ca

READY, SET Explore!

Your local school is hosting an open house for preschoolers and their parents! **Ready, Set, Explore** is a series of fun and informative events focusing on early childhood learning.

Ready, Set, Explore is a great opportunity to connect with your preschooler's future neighborhood school. **Ready, Set, Explore** events can include interactive play activities for children and their parents, a time to meet and connect with school staff, school tours, visits to the school library and other activities that support preschool aged children's learning.

Please note: Dates and times are subject to change, please contact the school prior to attending.
