i. Recap

Was a great turn out with great weather. Volunteers made the night and every booth ran super smooth. I think everyone had a good time. We have talked about some problem solving at the prize booth to hope to improve for next time. With Jay's numbers I think we must have had 190 kids come through maybe a few more with the comp tickets. Everything is now downstairs at the school.

More volunteers are needed in the leading up to the carnival.
